## DISCOVER THE WORLD OF CAVES IN THE COMFORT OF YOUR CLASSROOM

Embark on a fun and educational journey with our new virtual presentation, designed exclusively for school classes. Our interactive and informative session delves deep into the fascinating world of caves and caving, offering an exciting introduction to Rat's Nest Cave, a hidden gem in the heart of the Canadian Rockies.

### AVAILABLE TO YOU:

- Wednesdays & Thursdays
- September through May
- Via Zoom or Google Meet
- **100% Completely Free**

## What We Can Offer:

### INTERACTIVE EXPLORATION

Dive into the captivating world of Rat's Nest Cave. Experience its unique geology, ecology, and the thrilling adventure of cave exploration—all from the comfort of your classroom.

### CURRICULUM ALIGNMENT

Our content is not just engaging, but also educational. We tailor our presentations to align with your current curriculum, ensuring that the topics discussed resonate with your students' learning objectives.

### EXPERT GUIDES

Our presentations are led by our talented team of cave guides, bringing first-hand knowledge and passion to every session. Engaging images and videos from inside Rat's Nest Cave make the experience vivid and memorable, and we build in time for students' questions too!

## FLEXIBLE TOPICS

We'll work with you to tailor the presentation to fit your class's needs. Choose from a wide range of topics including:

- Rocks & Geology
- Cave Geology
- Cave Flora and Fauna
- Speleothems (Cave Formations)
- Mountains and Mountain Building
- Glaciation
- Climate Change Impacts
- Water Resources and Hydrology
- Exploration and Adventure in Caving
- Conservation and Environmental Stewardship
- and much more!

## View the Cave in VR

Take your students on a tour of Rat's Nest Cave with our free VR Cave Tour. Navigate through the twisting and turning passages, explore some of the unique features of the cave, and learn about this amazing place together.
